

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?

The average of 17th lok sabha is noted to be 54 years and 12% of MP's are below the age of 40

Motion of no confidence against the government can be introduced and passed to the lokshaba

Responsible for the ruling government proper function,lokshaba intro duce and passes bills for defence ,finance and home affairs of the country

Keonjhar constituency became the youngest member at the age of 25 years .11 month and 9 days

Education wise 43% MP's have graduate level education

The lokshaba in our system has immense power because it is representative of the people

530 members are to be chosen by direct election from territorial constituencies in the Indian state

Parliament has the authority to amend the constitutional laws

Lokshaba sometimes faces disruption ,walkout and adjusment due to the adversial nature of indian politics

Once a money - related bill is passed by the lok sabha, it cannot be rejected by the rajya sabha , lok sabha has more power

Some members never participate in the debates and proceeding these members should be admonished to be active in lokshaba

Lokshaba can sometimes experienced legislative gridles where political differences between the ruling and opposition parties lead to delay in passing important bills
